REJOICE OLUCHI OKEZIE

Address: Nigeria | Email: okezierejoiceoluchi@gmail.com |
Phone No: +234 (0)810 618 1181

PROFESSIONAL PROFILE

Dynamic, detail-oriented, and results-driven professional with proven expertise in **process safety management, administrative coordination, and operational support** within the oil and gas, engineering, and public sector industries. Skilled in implementing safety protocols, leading compliance initiatives, and ensuring adherence to international standards such as OSHA and HSE requirements. Possesses strong analytical and organizational skills, with the ability to manage multiple priorities while driving efficiency and fostering a culture of safety. Adept at collaborating across diverse teams, developing training programs, and contributing to continuous improvement projects. Recognized for a proactive work ethic, adaptability, and an unwavering commitment to professional growth and organizational success.

SKILLS

- Process Safety Management (PSM)
- Hazard Identification & Risk Assessment (HAZID, HAZOP)
- Root Cause Analysis (RCA)
- Regulatory Compliance (OSHA Standards)
- Incident Investigation & Reporting
- Administrative and Operational Management
- Training & Capacity Development
- Project Coordination & Documentation
- Health, Safety & Environmental (HSE) Compliance
- Stakeholder Engagement & Communication

Tools: Microsoft Office Suite (Excel, Word, PowerPoint)

CAREER HIGHLIGHT

- Spearheaded process safety training programs for over 50 employees, achieving a 95% knowledge retention rate.
- Successfully tracked and implemented Management of Change (MoC) across three major oil and gas facilities, ensuring zero non-compliance incidents.
- Played a key role in incident investigations, identifying root causes and developing corrective actions that reduced recurrence of safety events.

PROFESSIONAL EXPERIENCE

Process Safety Graduate Intern — Nigeria
Aradel Holdings Plc — 2024 – 2025

- Assisted in the investigation of process incidents and near-miss events, ensuring corrective actions were well-documented and communicated.
- Conducted risk assessments for facility modifications, including SIMOP operations and bridge installations, enhancing safety compliance.
- Supported HAZOP, HAZID, and Bowtie studies, contributing to improved hazard identification and control mechanisms.
- Coordinated Management of Change (MoC) processes, ensuring alignment with corporate and regulatory requirements.
- Designed and delivered process safety training, achieving high completion and positive feedback rates.
- Contributed to process safety document reviews and updates, ensuring alignment with current regulations.
- Participated in Front Line Barrier Management (FLBM) assessments across integrated facilities.
- Engaged in compliance reviews against OSHA PSM standards, improving facility audit outcomes.
- Facilitated toolbox talks to strengthen safety awareness among technical teams.

Administrative Officer — Nigeria
Atlantic Bluewater Service Ltd — Nov 2021 – Jun 2023

- Coordinated daily administrative functions to ensure smooth operations, including scheduling, correspondence, and document management.
- Assisted project managers in organizing logistics, supervising journey management, and assigning personnel for field activities.
- Maintained accurate equipment and inventory records, ensuring timely repairs and replacements to minimize downtime.
- Compiled detailed cost analyses and financial reports to aid in budget planning and managerial decision-making.
- Processed internal and external communications, including preparing official letters, reports, and meeting records.
- Acted as a point of contact between multiple departments, strengthening internal communication and teamwork.
- Supported HR operations by reporting facility maintenance needs and monitoring staff readiness for assignments.
- Assisted in conducting toolbox talks, reinforcing safety and compliance awareness among field teams.
- Ensured proper documentation and archiving of company files, improving data accessibility for audits and inspections.

Secretary / Front Desk Officer — Nigeria
Macstee Engineering Services — Nov 2019 – Dec 2020

- Delivered professional client-facing services, improving customer experience and satisfaction ratings.
- Organized staff schedules, appointments, and travel logistics, ensuring smooth operational workflows.
- Monitored and replenished office supplies and maintained office equipment for continuous functionality.
- Drafted and formatted official business correspondence, including letters, reports, and presentations.
- Assisted in compiling and reviewing project-related documentation, contributing to timely project delivery.
- Managed client queries and complaints, providing effective solutions and maintaining professional relationships.
- Organized filing systems, ensuring proper documentation and easy retrieval of sensitive files.
- Coordinated logistics for team meetings, including venue preparation, agendas, and minutes.

Human Resources Intern — Nigeria
Rivers State Ministry of Environment — Jan 2018 – Jul 2018

- Participated in environmental impact assessments (EIA) and waste management projects, ensuring regulatory compliance.
- Assisted in the documentation of compliance reports aligned with state environmental standards.
- Supported HR staff in administrative tasks, such as scheduling, correspondence, and record-keeping.
- Helped coordinate logistics for departmental meetings and environmental review activities.
- Conducted preliminary research to support environmental sustainability planning.
- Assisted in communication with contractors, consultants, and other stakeholders.
- Organized departmental files and records, ensuring completeness and accessibility.
- Observed and participated in environmental monitoring and reporting activities, gaining field exposure.
- Coordinated routine administrative duties to enhance departmental workflow.

EDUCATION

University of Port Harcourt — 2021
B.Sc. in Plant Science & Biotechnology

PROFESSIONAL CERTIFICATIONS

- COSHH Risk Assessor Certification – Knight of Safety Academy (2023)

- HSE Levels 1, 2 & 3 – WSO HSE Training Institute (2023)
- Chemical Process Safety – Alison (2024)
- Chemical Safety: Process Safety Management – Alison (2024)
- Management of Change & Operational Register – Banu Consultancy (2023)
- Permit to Work & Job Hazard Analysis – Banu Consultancy (2024)
- Process Isolation – Banu Consultancy (2024)
